

What Can You Do?

What Can You Do?

Plan

Make a household plan

- Where will you meet after a disaster?
- Out-of-state contact
- How & when to turn off utilities?
- Depending upon the disaster, might have to plan to stay OR go
- Plan for your pets

What Can You Do?

Advisory Systems

Plan

What Can You Do?

Plan

Sheltering in-place

- Family & pets inside
- Lock doors, close windows, vents & fireplace dampers
- Turn off fans & forced air units
- Go to interior room with few windows
- Watch TV, listen to radio or check Internet often for official news

What Can You Do?

Plan

Workplace/School Plan

- Site-specific plans
- How will they communicate with families of students/workers?
- Do they keep a 3-day supply of food?
- If need to “get away” vs in-place sheltering, how do they plan to do that?

What Can You Do?

Plan

Workplace/School Plan

- Is heating, cooling, and vent system secured?

Neighborhood/Community

- Who will check on elderly neighbors?
- Neighbors with disabilities?

What Can You Do?
